

League of Women Voters - Acton Holds Interactive Candi-dating Forum

Saturday, March 16 at 1 p.m. – Conant School Cafeteria

Acton, MA. – The League of Women Voters Acton Area is hosting a Candidates Forum on Saturday, March 16 at Conant Elementary School. All of the candidates on the March 26 town ballot have been invited. This is not your typical candidate forum or meet & greet event! We are using the Speed Dating format so people and candidates can ask questions and have them answered right then and there. Here's how it works: audience members will be seated at tables. The candidates will spend about 10 minutes at each table and will answer any questions asked.

The League of Women Voters used this same format last spring and it was a huge hit. We are happy to do it again this year. Our aim is to offer an event that encourages both personal and in-depth discussion so that you can make an informed vote on Tuesday, March 26. We'll kick things off at 1 p.m. and should be done by 2:30 p.m. Doors will open at 12:45 so that participants can find their tables and introduce themselves. Latecomers will be seated as space allows and join the discussion in progress.

The League of Women Voters-Acton Area is a non-partisan, grassroots organization that supports and opposes issues, but not candidates or political parties. We strive to protect, educate and engage voters. We welcome new members.
