At Mt. Hope, there may be need in September to open the fire road from the south parking area to the wooden bridge that crosses Heath Hen Meadow Brook. The bridge was severely damaged by a falling tree during a winter storm. An Acton Boy Scout (Stephen Goulet of Troop 1) is planning to repair the bridge, and raise it 6 in., as his Eagle Scout project. He may find it helpful to have vehicle access to the bridge via the fire road. The Commissioners also reviewed a sign — intended to prevent use of an unauthorized cut-off trail — posted along the blazed yellow trail in the Mt. Hope woods by the Acton Land Stewardship Committee (LSC) . A plan by the LSC for a blazed red trail from the Woodlawn soccer field through the Woodlawn Woods to Morrison Farm remains in the works .
