Citizen Concerns

- The committee has received a complaint letter from an Acton resident who is a senior citizen facing a Verizon cable service price increase. She was looking for committee members to offer guidance on possible options. Oleg took an action to follow up on the complaint.

Town Residents Survey

- The survey went live right before the town meeting. The announcement of the survey was added to slides during the town meeting. So far only few responses have been received. Committee acknowledged that additional publicity is required to make sure that Acton residents are aware of the survey. Steve will be following up on a list of methods to publicize the survey.

Review Action Item Registry

- Action register was reviewed and updated. It will be distributed after the meeting.

Committee Charter Status

- Draft of the charter has been distributed to the committee for the review.
