RIBBON-CUTTING AND MILESTONE CELEBRATIONS POLICY

The Town of Acton is committed to fostering a vibrant business community, and as part of this initiative, we have established a Ribbon-Cutting and Milestone Celebrations Policy. This policy aims to provide formal recognition for businesses celebrating significant milestones such as grand openings, anniversaries, or major achievements.

Businesses interested in hosting a ribbon-cutting ceremony can request support from the Town, which may include coordination with local officials, promotional assistance through municipal channels, and suggestions for best practices to maximize community engagement. We encourage businesses to leverage these celebrations not only as an opportunity for visibility but also to strengthen ties within the community.

As part of the policy framework, designated dates have been allocated for these celebrations on Fridays to ensure structured and organized observance across all relevant departments and stakeholders. These specific dates not only facilitate coordinated participation but also allow for adequate planning and resource allocation, thereby enhancing the overall effectiveness of the celebrations.

Events will take place in the morning lasting approximately one hour. We kindly ask that you inform us of your intended ribbon-cutting date with a minimum 30-day notice to ensure comprehensive preparation and collaboration.

As part of the event planning and organization process, it is essential to confirm your commitment to providing the necessary refreshments for attendees, ensuring that their experience remains comfortable and enjoyable. We kindly request that you outline the types of refreshments you plan to offer, including both food and beverage options, to accommodate various dietary preferences. Additionally, we would appreciate your collaboration in promoting the event by leveraging your networks and social media platforms.
