### NOTICE OF PUBLIC HEARING

Pursuant to Mass. General Laws Ch. 40-C and Town of Acton Bylaws Ch. P, the **ACTON HISTORIC DISTRICT COMMISSION** will hold a **PUBLIC HEARING** on Tuesday 8 pm on Tuesday, June 10 in Room 126, Acton Town Hall, 472 Main Street, concerning application #1413 for work at 504 Main St., Acton: An addition is being proposed in the back right corner of the building which is currently a corner that is indented, cut-out, from the rest of the building. The addition will be within that area and will not extend to complete the full rectangle of the building. With the walkway, entrance changes, recently completed (for preservation and safety) with CPA funds, the Massachusetts Architectural Access Board required the Acton Woman's Club to put on the addition to add a lift and redo the bathroom to be handicap accessible. No elevator or lift can be provided for the second floor without an addition to the building. This application is to allow us to complete that State requirement. We will also be seeking CPA, preservation funding, to be able to perform this work.
