CONSENT AGENDA

DISCUSSION March 2014 minutes

ACTION ITEM March 2014 approved, 3-0

TOPIC: March Minutes Action Item Review – Ms. Fochtman will contact the Robbins Mill resident regarding requested playground changes.

TOPIC: GOWARD PLAYGROUND UPDATE

DISCUSSION Ms. Fochtman has been in touch with Mr. Redmond who is volunteering labor and materials towards the installation of the playground. Mr. Redmond will distribute wood fiber mulch for the playground. Ms. Fochtman will walk the site with Mr. Redmond. Mr. Redmond will also look at the possibility of drainage resolution. Ms. Fochtman will also contact Central Nurseries regarding the completion of the train installation. There is also a concern about the cement footings being exposed above the subsurface. Picnic tables will also be assembled and placed at the playground. Ms. Getsick will contact Lazaro Paving regarding both the Elm Street and Goward Projects. Mr. Steve Leo would like to see the bricks laid closest to the water fountain. Signage is waiting on a purchase order and vendor number before being ordered. Opening day will be May 17th 3:00 – 5:00pm. Possible DJ for entertainment.

TOPIC: OPEN SPACE AND RECREATION PLAN

DISCUSSION An ADA grievance policy was drafted and approved via a motion approved 3-0. Please see attachment. ADA requirements were missing from the draft and are now included. Conservation addressed this area of concern. The grievance policy addresses a reply and response for a chain of referrals to address any concerns regarding non-compliance to ADA regulations.

TOPIC: ACTON ADULT SOFTBALL LEAGUE (AASL)

DISCUSSION Ms. Fochtman met with AASL Commissioners. Mr. Gottesman will continue to pay for field rentals at NARA and Elm Street softball fields. Sports lighting is not installed at NARA at this time and would be desirable to users in the future. Maintenance of the fields was a concern. Other user groups perform maintenance themselves. All user groups will pay for their electric usage. An injunction is currently keeping AASL from utilizing the Elm Street field on Sundays and for late weekday evening usage. A potential solution would be to provide lighting at the NARA field for AASL usage rather than Elm Street.
