

# Meeting Notes – 4 June 2018 – Afternoon

---

This was not really an EDC meeting. It was actually Judi Barrett's meeting.

Judi Barrett from Barrett Associates is working with people in the Planning Department to learn more about the many factors that affect economic development in town. Judi met with the EDC on 14 May 2018 and asked that the committee invite members of the Acton business community to attend one of two meetings to discuss the overall business climate in town and steps that the town could take to improve it.

Two meetings were scheduled for Monday, 4 June 2018, one in the morning and a second in the late afternoon. These were really Judi Barrett's meetings. Agendas were posted for the EDC because several members might attend one of both of these meetings.

This short note describes the second of these meetings. It started at 4:00 pm.

EDC Attendees: Dave Didriksen, Derrick Chin, Mike Majors, Shirley Ming

Judi Barrett and EDC members waited around until 4:45 pm. No representatives from the business community showed up. At that point, the meeting ended.

These notes were written by Lawrence J Kenah, EDC Chair.

They were based on notes written by Derrick Chin.
