SELECTMEN'S BUSINESS

FY06 BUDGET/WARRANT DISCUSSION – Don updated the Board on the budgets and proposed cuts. He wants the HR. Director reinstated and was concerned with the land use side of the house. Dore' again urged that we not make deep cuts in the Council Aging Budget. It was noted that the Road Runner now operates 3 days per week. He noted that he attended a meeting that discussed the need for transportation for the elderly, immigrant's population and those without vehicles. Dore' asked about the department cuts that staff has prepared in the very large document in this weeks mail.

Peter wanted to have additional A Budget materials for this Saturday's budget meeting. John explained that he did not think he could provide this because of the work load and pending projects in Finance. Dore' noted that the Fire Dept. will have one man on duty in the Station due to proposed cuts. The Police will have fewer patrols if positions are cut.

OVERRIDE ELECTION TIMING – Dore' said that they have before them a Pyramid Ballot for the Override. They discussed the issue of having the Vote before Town Meeting or after Town Meeting. Dore' mentioned the Solid Waste issue that may require a Town Meeting. Dore' wanted the vote taken before Town Meeting and felt it would

save money by including it on the Town Election Ballot. Peter is going to listen to the discussion this evening because he is not a 100% convinced at this time.

Trey asked that a special education overview night to discuss the pyramid method be held by the Finance Committee and School. He wanted the vote taken before Town Meeting,

Walter was in favor of the vote before Town Meeting. He strongly leans toward the Pyramid option; he feels it gives the voter more input. He also said he felt a town wide mailing to the voters would be informative. He felt that they should also have meetings with the public as well as having the options posted outside the voting booths. The League will hold a forum about the Pyramid Option. He feels that this Board and the Beacon should get some educational materials out to the citizens.

Bob Johnson – He agrees with Walter, but noted he thinks it gets messier if we have a pyramid before Town Meeting. If we don't have the vote before Town meeting t will be more difficult to educate and explain it to the citizens after the Town Meeting. He advocates the vote be taken before Town Meeting.

Marie Altieri – The School Committee has voted unanimously to ask the Board of Selectmen to have the Override Vote at the Town Election in March.

Herman Kabakoff speaking as a member of the Finance Committee, noted that the Finance Committee did not take a vote, but discussed it in length. The Fin Com decided on a consensus that they recommend the vote be taken after Town Meeting if there was a Pyramid Option.

Charlie Kadlec – Charlie has no strong feelings on the timing, but as to the amounts of 3.8 Million, 4.5 or -0- he did have an opinion. He wanted to state that the 3.8 proposed lowest amount is too high. He feels that the BOS should include a number of 1.5 million. The 3.8 will equate to 12-13% increase if passed. He urged them to consider a 1.5 to 2 million figure.

Peter noted that we have had many discussions on a 2 million override at ALG. He too noted that the percentage that Mr. Kadlec stated reflects all taxes included and allowed under Prop. 2 ½, not just the Override amount.

DORE' HUNTER – Moved to schedule the Override of 3.8 and 4.5 Million on March 29 at the Annual Election. BOB JOHNSON – second. 4-1 Peter voting No. Motion carries.

STREET ACCEPTANCE PROCESS – PETER ASHTON - Move to approve and move forward with the public notification process. WALTER FOSTER – second.
UNANIMOUS VOTE.

INTER-MUNICIPAL AGREEMENT – Dore' spoke about the municipal lease and outlined the process that was used. Walter gave a brief background presentation on this project and the need to insure that the newly constructed field would be a community resource. He thanked Mary Ann Ashton of the School Committee, Bill Mullin and the Friends of Leary Field. PETER ASHTON - Moved to accept as written. TREY SHUPERT – second. UNANIMOUS VOTE.

ARMED FORCES DAY – A Parade to thank those who have been serving in the Armed Forces is proposed for Armed Forces day. Dore' noted that he wanted to know the financial implications of this event. PETER ASHTON – Moved to endorse the idea of a parade on Armed forces. TREY SHUPERT – second. UNANIMOUS VOTE.

IL FORNO RESTAURANT – Mike Mohammad outlined how he has been operating his restaurant in Fitchburg and Gardner in which he allows the patrons to bring in their own liquor. He cards customers and has had staff attend Tip Training Program. The Town Manager urged the Board to proceed carefully as we have had issues with Official licensed liquor holders. The Board asked that Mr. Mohammad send us a copy of this policy on Bring Your Own to the restaurant when he files his Common Victualler License, the Board will review his request for BYOB during the Common Victualler Hearing.
