

South Acton Train Station Advisory Committee  
Historical Panel Subcommittee  
Meeting Minutes  
Acton Town Hall – Room 121  
06 February 2014

RECEIVED  
MAR 10 2014  
TOWN CLERK  
ACTON

**Subcommittee Members Present:**

Clare Siska  
Michaela Moran  
David Martin

**Others Present:**

Bob Condon  
Tom Campbell

**Mr. Martin called the meeting to order at 7:31pm.**

Mr. Martin announced that Belle Choate will directly deliver the Jenks Library scans to the MBTA.

Ms. Siska sent her draft timeline to Bill Klauer, Belle Choate, and Ann Forbes. She will take the input and produce another draft.

Committee agreed that the timeline should stop at 1874.

Mr. Martin agreed to ask Corey York to scan the 1735 map.

Ms. Moran said that the Iron Work Farm board meets on the 10 February, and will discuss the possible use of the bird's eye view.

The committee reviewed possible replacement photos, but made no decisions at this time.

Mr. Campbell said that SATSAC would have access to the photos not owned by the Acton Historical Society. He will pass them on, when he gets them.

Mr Martin agreed to ask Belle Choate about scanning progress.

The committee discussed Franny Osman's request to include regional content. But the committee felt that it was too late in the process, and that the intent is for the content to be local.

**The meeting was adjourned at 8:33pm.**
