Membership: Tom Campbell has resigned the committee effective after the close of the meeting. DM polled committee re future of SATSAC and possible sunsetting of the committee in a few months' time.

Town projects: Parking lot resurfacing not yet completed. 'Complete streets ' is done for the most part. Sidewalks near the station on Maple are nearly completed.

Station site and ARRT terminus: Parking lot (Montouri) has new lights which are quite tall. They may present the same problem as the station lights had created. More investigation is needed.

Some rules for usage have been proposed. DM will send the draft proposal to Corey York per the unanimous vote of the committee.

Resident parking recommendation: SH proposed a sticker and placard for overnight guest parking on Maple Street. DM will write it up for the selectmens' review.

Meeting minutes from 5/18 and 8/17 were approved as corrected.

Next meeting proposed for 10/26/2017.

Respectfully submitted,
