Minuteman Bike Share Re-Opens in Acton

ACTON -- Town Manager John S. Mangiaratti is pleased to share that Acton's Zagster Minuteman Bike Share program has relaunched for the season.

The Zagster bikes are available at two locations in Acton -- West Acton Village and the South Acton Commuter Rail Station -- as well as in downtown Maynard at Mill and Main.

"The Minuteman Bike Share program is a practical and cost-effective option that we're excited to see return for the coming spring, summer and fall months," Town Manager Mangiaratti said. "I hope that residents will take advantage of the program, which provides a critical link between West Acton and the commuter rail, as well as neighboring communities."

Bikes can be rented at one of the Zagster station locations and returned to one of the others in Acton, Maynard, Concord and Lexington.

Minuteman Bike Share memberships cost \$25 for the year and include unlimited rides under two hours free of charge. Annual members who wish to ride for longer than two hours would be charged \$1 per hour. Non-members may rent the bikes for \$1 an hour.

Additionally, Acton and Zagster will mark National Bike Month in May by offering 50% discounts on annual memberships.

Funds generated by rider participation in the program go to the town, with Zagster

retaining an administrative fee.
