2022 Camp Hill Top

Session 1: June 27—July 1: Building and Engineering

Grab your hard hat and let's build! LEGOs, blocks, and more! Campers will have fun designing and building all different types of infrastructure with multiple types of materials throughout this STEM camp session.

Session 2: July 5—8: Mad Scientists

Spend the week learning how to safely use lab tools and materials. Experiment with reactions, make slime, and watch the chemical reaction that makes a volcano erupt!

Session 3: July 11—15: Superheroes

It's a bird, it's a plane, it's Superman! Make superhero masks and dress like your favorite hero on Friday!

Session 4: July 18—22: Olympic Games

The Olympic Games and competitions will be ongoing all week with the camp uniting to represent countries to compete in Camp Hill Top's Olympic Games!

Session 5: July 25—29: Community Helpers

Let's make a difference in our community through volunteering! Recycling, helping an organization or neighbor, planting, and more! Campers are going to learn the importance of giving back to the community while having fun!

Session 6: Aug. 1-5: Exploration Space

Let's explore the universe! Creating spaceships and hunting are just some of the fun activities we have planned for this week! Come defy gravity and blast off with us!

Session 7: August 8—12: Travel Around the World

Let's see the world! Campers will learn about other cultures, make candy sushi, and listen to music from around the world. Grab your boarding pass and let's travel!

Session 8: August 15—19: Camp Hill Top's Got Talent

Lights, camera, action! Campers will put on their very own talent show. Perform an individual talent or a group number. Campers will get on stage and show their talent!

Session 9: August 22—26: Creepy Crawlers

Come learn and discover all about *creepy*, crawly bugs this week! Campers will explore the outdoors for insects, create different types of insects at art, and watch a live show by Animal Adventures.
